## Thailand Points of Interest.

### Thai Calendar,

The Thai Buddhist Calendar is 543 years ahead of our own Gregorian Calendar, which makes you very old indeed when you visit Thailand. 2024 therefore equates to the year 2567 in Thailand

### Current Population of Thailand,

As of 2024 the population of Thailand was approximately **72,000,000**, with a land area of **513,120** square klms.

Australia, in comparison has a population of approximately.

**27,000,000** and a land area of **7,692,024** square klms, so you could fit nearly 15 Thailands into Australia.

### King Of Thailand,

The King of Thailand, King Bhumibol Adulyadej, has reigned since the death of his older brother Ananda Mahidol on 9<sup>th</sup> June 1946, (2489), making him the Worlds longest reigning Monach. Thailands King Bhumibol Adulyadej passed away on the 13<sup>th</sup> October, 2016 after spending the last few years of his life in hospital. A man very much loved by all Thais. The new King Maha Vajiralongkorn signed the wealth of Thailand over to himself, he is now reported to be worth about 70 Billion Dollars, a man not respected at all by many Thai's.
